

celeb-worthy SWAG

All the loot we're absolutely loving right now!

EMBRACE THE RAINBOW

Diamonds aren't a girl's only best friend. The Lovely, an online boutique based in New York, specializes in one-of-a-kind colored gemstone engagement rings. From emeralds and aquamarine to sapphires and garnet, there's a showstopping rock for everyone, starting at \$599. Bonus? Each design comes with a complimentary lifetime warranty — so, you know, till death do you and the bauble part. thelovely.co

LUSH CRUSH

Stay ahead of the pack with Shh Silk's new tropical leaf-print travel set. Priced at \$179, the super-soft, silk-filled combo includes a light-blocking eye mask and matching pillow that bring new meaning to getting your beauty sleep by leaving faces crease-free and hair sans frizz. Destination: gorgeous. shhsilk.com.

BEST. BODY. EVER.

Hydroxycut Ultra Lean supports weight loss with a patented super ingredient combo called CurcumaSlim — a unique blend of pure turmeric/curcumin and alpha lipoic acid. But the benefits don't stop there. The dietary supplement also delivers a metabolism and energy boost from naturally sourced caffeine while providing important vitamins to support overall health. NECESSARY INDULGENCE

These confections aren't edible. But they sure are a treat for skin. Bonblissity's Sweet+Single Candy Scrub turns into a 3-in-1 lotion with a touch of water, for the perfect mix of exfoliating and moisturizing. Individually wrapped, the petite powerhouses are available in a variety of scents and retail for \$20 for a 30-piece box. bonblissity.com

COOL GIRL CO-ORD

There's tracksuits. And then there's CAMILLA's sporty-chic Geisha Girl tracksuit. A favorite of Hollywood fashionistas, the coordinated silk bomber and pant (\$536 each) boast a fab relaxed fit and hand-embroidered detail that stand out whether you're walking the red carpet or running errands. camilla.com

luxe locale OF THE WEEK

A WHOLE NEW LEVEL OF WELLNESS

Talk about a deluxe detox. The W Boston's Revival Weekend package features cold-pressed juices, a customized fitness program, B12 shots and Botox injections — all served up in the comfort of the hotel's 1,600-square-foot Extreme Wow corner suite. Plus, the room comes with a mimosa bar for when you're ready to detox. Cheers to that! marriott.com/hotels/travel/boswh-w-boston
